**What's a ladder league?** Everyone starts out from a randomized court. Each week you play 3 sets, 1 with each court mate. At the end of the 3 sets, the player with the most won games moves up a court and the one with the lowest amount of games moves down. In the event of a tie, the players can decide among themselves how to break the tie – flipping a coin or a tie-breaker = good options.

**How much?** Participation in the ladders is included in the Kings Grant membership. Non-members pay \$15/week. For more details about Kings Grant memberships and fees, please check out their website: [kingsgranttennis.com](http://kingsgranttennis.com)

**After we play?** After your match, meet back at the clubhouse to hang out with old friends, meet new ones and to celebrate those great matches, points, and shots. The club is licensed to serve and can help cool you down with a variety of nice cold beverages.

**Space is Limited!** We will be using **6 clay courts in 2022**. The courts are rotated weekly to give everyone a chance to play on all courts (never the same court 2 weeks in a row). If you can commit to playing weekly in either session, please let us know ASAP! If you can play in both, please list your preference -- we cannot guarantee a roster spot in both sessions.

If you are interested in being a sub, please let us know which nights work best for you. We will do our best to accommodate everyone who wants a roster spot but anticipate more interest than available spots. Order of preference given to members, returning players, and earliest replies for new players.

**IMPORTANT!** *Roster players will be expected to find their own sub for any sessions they can't play.*
